SUMMARY

Currently an Instructor for a coding bootcamp sharing my passion for coding and molding the minds of Junior MERN Stack Developers. When I leave the classroom I work on my own projects. Today's trends go mobile first, so a cohesive and responsive design is always on my mind.I am known for collaborating, working hard and getting things done.Every project is unique and I will craft your App for the target audience.

TECHNICAL SKILLS

Languages: Html 5, CSS 3, JavaScript, SQL.
Applications: NodeJs
Libraries: BootStrap, Materialize, Foundation, Firebase.
Databases: MongoDB, MYSQL, Firestore
Frameworks: React, Angular, GatsbyJS

PROJECTS

- **Employee Directory** | https://github.com/Dmolina-power/Employee-directory-react.git

Link to Deployed Project | https://dmolina-power.github.io/Employee-directory-react/

This is an employee directory built with React. It breaks up the application's UI into components, manages components state, and responds to user events.

- **Fitness Tracker** | https://github.com/Dmolina-power/fitness-Tracker

Link to Deployed Project |https://limitless-sea-51961.herokuapp.com/

View,Create, and track daily workouts.built with MongoDB, Node.js, HTML5, CSS3, Bootstrap.

- **Send Moods** | https://github.com/Dmolina-power/Project2

Link to Deployed Project | https://project-2-mood-music.herokuapp.com/

A group project that was built with HTML Bootstrap, CSS, JavaScript, Handlebars, Sequelize, JQuery,Express, Passport, MySql2. Created with Three other WebDevs.

MY ROLES IN THIS PROJECT: setting up theme and layout throughout all pages,and maintaining all front end code.

EXPERIENCE

Instructor   **2021- Current**
Persevere   Eloy, AZ
At Persevere I'm an Instructor teaching Full Stack Web Development to Inmates at a Correctional Facility. In the facility Students don't have access to the Internet, everything is built in local

development. Students are learning to build MERN Stacks. Curriculum is 12 Months long. Currently I have 7 students enrolled in class.

Forklift Operator   **2019** – 2020
Chewy Inc   Goodyear, AZ
Forklift operator in a distribution warehouse. Successfully managed to safely operate a forklift while efficiently keeping production levels up.

Correctional Officer   **2016** – 2018
La Palma Correctional Facility   Eloy, AZ
Started as a regular C.O. and in less than three months became a first responder to incidents that evolved in the facility. Transferable skills from this job are: can work in a high stressful situation, prioritize, and work in a team to distribute goals to get the task complete, and successfully muilti-task in a high demand workplace.
Key Accomplishments: Awarded life saving plaquer for my contribution in saving an inmate's life from a drug overdose using CPR and AED techniques.

Lead Security Officer   **2016** – 2016
Vet-Sec Security   Tucson, AZ
Became a Lead security officer in less than three months, Successfully supervised employees in the security field to ensure safety and expand customer service with clients related to complaints and diagnosing and resolving communication problems between security personnel and clients on site.

Site Supervisor   **2008** – 2016
Security Watch Group   Miami, FL
Successfully supervised employees in the security field to ensure safety and expand customer service with clients related to complaints and diagnosing and resolving communication problems between security personnel and clients on site.
Ability to train new hire employees, evaluate employee performance, and conduct individual and staff meetings. Execute new policy to staff in accordance to client and/or company.
